

B-Fabric Manual

B-Fabric is the tool used by the Linguistic Research Infrastructure to manage our resources and projects. Our users can use it to create and manage their project, make bookings and request services. Below are some quick guides to get you started using B-Fabric.

- [Creating a User Account](#)
- [Creating a New Project](#)
- [Adding a user to a Project](#)
- [Requesting Lab Access](#)
- [Making an Equipment Reservation](#)
- [Booking the lab](#)
